Hi Jeannie,

Please see attached the PROOF for the SMMP. It ...:

- [REDACTED] incorporates edits/comments that you flagged
- [REDACTED] new edits (except basic formatting) was track-changed FYI. There is one comment, on the margin, FYI. None of these require further editing. Please do a final review at EPA. I am good with it otherwise.
- [REDACTED] Please review in ALL-MARKUPS and in NO MARKUPS.
- [REDACTED] EPA was changed globally to USEPA (without track-changes.
- [REDACTED] Please note this Proof did not go through another separate QA review here (by a separate LB reviewer), as we assume EPA will cover this as appropriate.
- [REDACTED] Once I hear back from you we will accept all changes and delete all comments (that are currently still in the Proof), and convert this document into a PDF ready for posting tomorrow.
- [REDACTED] I maintain the MASTER PROOF.

Thanks,

Bernward
